Flowers in church : We all appreciate the lovely flowers in church each week, and sometimes benefit by receiving a bouquet ourselves. This doesn't happen by accident and there are a number of ways that you can help. If you have even a passable acquaintance with flower arranging, you would be very welcome on the Flower team itself; otherwise you can help by either helping deliver the flowers each Sunday, or donating money to help offset the cost.

There is a flower calendar at the main door in BSM and on the notice board outside the Large Hall in QSE where you can put your name against a particular week. Some do this at an anniversary of some special occasion – happy and sad – or just whenever might suit. If you can help with this, please bring your donation to the Office, or put it in the plate in an envelope marked 'Flower donation', or at QSE give to Joline Munro

Recycle your stamps: Please recycle your stamps (allowing a border of 8mm/1/4in when cutting from an envelope) and place them in the wicker basket in the front vestibule of the church (QSE) or the bags at the front door of the church and in the hall (BSM)
